Greek History

Ancient Greece: From Prehistoric to Hellenistic Times

Fall, 2015

1st 1/2 sem

TR 9:30-10:45

Instructor: Lorenzo

This survey of ancient Greek history and civilization from the Bronze Age through the Hellenistic Period focuses on a variety of political, social, military and cultural aspects of Greek civilization and deals with topics like the origins of the Greeks, the rise of the Greek city-state, the Golden Age of Athens, and the transformation of the Greek world in the age of Alexander the Great.
